

412.06 PARADES AND ASSEMBLAGES.

No person shall conduct or participate in any parade, procession or assemblage upon any street or highway, or block off any street or highway area, without first obtaining a permit from the Chief of Police.

Applications for such permits shall be made on such forms as may be prescribed and shall contain such information as is reasonably necessary for a fair determination of whether a permit should be issued. Applications shall be filed not less than five days before the time intended for such parade, procession or assemblage.

The permit may be refused or cancelled if the resultant conditions would unreasonably hinder the movement of traffic or would require the diversion of such number of police officers or firemen as to deprive the Municipality of normal police and fire protection, or would be reasonably likely to provoke disorderly conduct or create a disturbance.

The permit or any order accompanying it may limit or prescribe reasonable conditions, including the hours, the places of assembly and dispersal, the route of march or travel and the streets, highways or portions thereof which may be used or occupied.

Activities that create or result in conditions that are unsafe for either the parade participants or parade spectators are expressly prohibited. These include, but are not limited to, the throwing of candy or other items from vehicles or other units in the parade or procession.
