This is a follow-up communication to your public records request submitted August 2, 2021.

In accordance with the Ohio Public Records Act, the City of Bellbrook has complied with your public records request to the extent that the request asked for reasonably identifiable public records maintained by the City which are subject to disclosure under the provisions of the Ohio Public Records Act.

The City never had to name an interim City Manager. According to Charter the City Manager names an Acting City Manager for times when they are out of the office. Chief Doug Doherty was Melissa Dodd's choice and he had fulfilled this role several times in the past. Chief Doherty again filled that role for the three days that Mrs. Dodd was on vacation before the new City Manager started.

If you have any questions regarding the information above or this public records request, please feel free to contact me.

Thank you.
Pamela Timmons
Clerk of Council
